

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF MISSOURI

Phoenix Entertainment Partners, LLC,

Plaintiff,

v.

Sportstime, Inc. d/b/a Mike Duffy's Pub &
Grill, Pro Source Entertainment, Inc. and
James Allen,

Defendants.

Case No. 4:17-cv-980

COMPLAINT

The Plaintiff, Phoenix Entertainment Partners, LLC ("Phoenix"), by its counsel,
complains of the Defendants, and for its Complaint alleges as follows:

JURISDICTION OF THE COURT

1. This is an action for trademark infringement and for related state-law claims in which the Defendants stand accused of using Phoenix's federally registered service marks without authorization in the course of providing commercial karaoke entertainment services and related ancillary services.

2. This action arises under §§ 32 and 43 of the Trademark Act of 1946, 15 U.S.C. §§ 1114 and 1125, as amended. This Court has exclusive jurisdiction over the subject matter of this action pursuant to 28 U.S.C. § 1331, in that this is a civil action arising under the laws of the United States.

3. This Court further has jurisdiction pursuant to 28 U.S.C. § 1338(a), in that this civil action arises under acts of Congress relating to trademarks, and, as to the Plaintiff's federal

1 unfair competition claim, pursuant to 28 U.S.C. § 1338(b), in that the claim is joined with a
2 substantial and related claim under the trademark laws of the United States.

3 4. This Court has supplemental jurisdiction over the subject matter of Phoenix's
4 state law claims pursuant to 28 U.S.C. § 1367(a), in that the claims are so related to Phoenix's
5 federal claims that they form part of the same case or controversy.

6 5. Venue is proper in this judicial district pursuant to 28 U.S.C. § 1391(b), because
7 all of the Defendants reside in this State and judicial district.

8 6. This Court has personal jurisdiction over each of the Defendants, based upon the
9 Defendants' residence in this State and judicial district and conduct of significant business here,
10 and in that the acts of which the Defendants stand accused were undertaken in this State and
11 judicial district.
12

13
14 **THE PLAINTIFF**

15 7. Phoenix is a North Carolina limited liability company having its principal place
16 of business in Pineville, North Carolina.
17

18
19 **THE DEFENDANTS**

20 8. Defendant Pro Source Entertainment, Inc. ("Pro Source") is a Missouri
21 corporation which operates a mobile entertainment business, at least one purpose of which is to
22 provide karaoke-related services.

23 9. James Allen ("Allen") is a Missouri resident, who is owner and president of Pro
24 Source Entertainment, Inc., and operates the equipment and provides karaoke-related services
25 for Pro Source Entertainment, Inc.
26

27 10. Defendant Sportstime, Inc. d/b/a Mike Duffy's Pub & Grill ("Sportstime") is a
28 Missouri corporation that operates an eating and drinking establishment under the trade name

1 Mike Duffy's Pub & Grill in Kirkwood, Missouri, at which karaoke entertainment services are
2 provided.

3 **BACKGROUND FACTS**

4 11. Karaoke is a popular form of participatory entertainment commonly found in
5 bars and restaurants and other types of venues throughout the United States.

6 12. The basic premise of a karaoke show is that the venue hosting the show provides
7 patrons with access to a sound system and specially prepared karaoke accompaniment tracks, so
8 that individual patrons may perform for the crowd.
9

10 13. Generally, a "karaoke accompaniment track" is an audiovisual work comprising
11 a re-recorded version of a popular song without the lead vocals synchronized to a graphical
12 component containing a lyric display, cueing information, and other information.

13 14. When a karaoke accompaniment track is publicly performed, the graphical
14 component is displayed to the patron who is performing and may be displayed to the crowd as
15 well.
16

17 15. Venues that offer karaoke entertainment, including Sportstime, do so as part of a
18 commercial transaction wherein the venues supply their patrons with karaoke entertainment
19 services in exchange for their patronage of the establishment and the purchase of food and
20 beverages.

21 16. The purchase and consumption of alcoholic beverages in connection with
22 karaoke shows is particularly encouraged to enable patrons to overcome inhibitions against
23 singing in public.
24

25 17. Most venues that offer karaoke entertainment, including Sportstime, hire mobile
26 entertainment operators, such as Pro Source and Allen, to provide the karaoke entertainment
27 services on the venues' behalf.

28 18. Phoenix is the owner of SOUND CHOICE, a leading brand of karaoke

1 accompaniment tracks that is particularly well known to commercial karaoke operations
2 including bars, restaurants, and other venues as described above.

3 19. Phoenix also licenses the use of its SOUND CHOICE brand to commercial
4 karaoke operators and venues in connection with karaoke entertainment services.

5 20. Over the course of nearly three decades in business, Slep-Tone Entertainment
6 Corporation (“Slep-Tone”), Phoenix’s predecessor-in-interest, re-recorded and released more
7 than 16,500 SOUND CHOICE-branded popular songs on special compact discs known as
8 CD+G (“compact disc plus graphics”) discs and, more recently, a subset of that catalog in
9 another common karaoke format, MP3+G (“MP3 plus graphics”) on compact discs.
10

11 21. SOUND CHOICE-branded karaoke tracks are wildly popular among karaoke
12 entertainment providers, patrons, and home consumers. According to some estimates, as
13 corroborated by investigative data, more than half of all accompaniment tracks played at
14 karaoke shows in the United States originated from Slep-Tone’s recordings.
15

16 22. The popularity of SOUND CHOICE karaoke tracks derives from the market’s
17 perception that the recordings are usually the most faithful to the sound of the original recording
18 artist and as providing the most accurate singing cues as part of the video display,
19 characteristics that are highly valued by karaoke singers.

20 23. Likewise, the association of the SOUND CHOICE brand with a mobile
21 entertainment operator’s karaoke business and/or with a venue’s karaoke entertainment
22 offerings confers on the operator and venue a perception in the marketplace—and among
23 karaoke patrons—of legitimacy and professionalism.
24

25 **THE RIGHTS OF THE PLAINTIFF**

26 24. Phoenix is the owner of the federal service mark registrations listed in Annex A
27 hereto (“the Sound Choice Marks”), by virtue of an assignment instrument from Slep-Tone
28 dated February 15, 2015.

1 25. Slep-Tone acquired its rights in the Sound Choice Marks by virtue of its
2 registrations based on use of the marks in commerce in connection with the advertising and
3 performance of karaoke entertainment services, either directly or by related companies that
4 include hundreds of controlled licensees.

5 26. Phoenix is also the sole member of Sound Choice Entertainment, LLC, a Texas
6 limited liability company (“SCE”) that is directly engaged in the business of providing karaoke
7 entertainment services to venues in various locations around the United States.
8

9 27. Phoenix and its predecessor have, for the entire time the Sound Choice Marks
10 have been federally registered, provided the public, including the Defendants, with notice of
11 those federal registrations through the consistent application of the symbol ® to its marks in
12 connection with services, when and where appropriate.

13 28. The Sound Choice Marks are indicators of Phoenix as the origin of karaoke
14 entertainment services provided in connection with the Sound Choice Marks.
15
16

17 **THE ACTIVITIES OF THE DEFENDANTS**

18 **A. The Defendants’ Use in Commerce of the Sound Choice Marks**

19 29. Defendant Sportstime hosts karaoke shows comprising karaoke entertainment
20 services at their establishment.

21 30. Upon information and belief, Defendant Sportstime contracted with third-party
22 operators Pro Source and Allen as its agents to supply karaoke entertainment services to
23 Sportstime's patrons.
24

25 31. Upon information and belief, Defendants Pro Source, Allen and Sportstime
26 advertised the availability of karaoke entertainment services at Sportstime's venue at specific
27 times, in order to inform potential patrons of the services and to encourage those potential
28 patrons to visit Sportstime's venue at those times.

1 32. In order to supply karaoke entertainment services to a venue such as Sportstime,
2 Defendants Pro Source and Allen prepare and execute a karaoke show by acquiring, or
3 acquiring access to, appropriate sound equipment for playing karaoke accompaniment tracks;
4 connecting the sound equipment to a source for karaoke accompaniment tracks; causing
5 selected karaoke accompaniment tracks to be played over the sound equipment; controlling the
6 organization and flow of the performances; encouraging Sportstime's patrons to purchase food
7 and/or beverages and tip their servers and acting as the on-microphone emcee of the show.

8
9 33. As Defendants Pro Source, Allen and Sportstime supplied Sportstime's patrons
10 with karaoke entertainment services, the Defendants caused and/or permitted the Sound Choice
11 Marks to be displayed repeatedly and frequently in connection with the services.

12 34. The Sound Choice Marks as displayed in connection with those services are
13 identical to the marks for which Phoenix has obtained federal service mark registrations, for the
14 identical services for which those registrations were issued.

15
16 35. Because of the well-known association of the Sound Choice Marks with karaoke
17 entertainment services, the display of the Sound Choice Marks in connection with the services,
18 regardless of the particular song being played, acts as a general advertisement for the services as
19 well as an indicator of the quality of the services being provided.

20 36. Because of the frequent, repeated display of the Sound Choice Marks across
21 numerous instances of widely disparate songs, patrons who received karaoke entertainment
22 services from Pro Source, Allen and Sportstime are likely to view the display of the Sound
23 Choice Marks as an indicator of the affiliation, connection, or association of the Defendants
24 with Phoenix, or of Phoenix's sponsorship or approval of the services and related commercial
25 activities, rather than merely as indicating Phoenix as the creator of the underlying
26 communicative content of any particular song being performed.

27
28 37. The foregoing activities undertaken in connection with the Sound Choice Marks

1 were undertaken in derogation of Phoenix's rights in the Sound Choice Marks.

2 38. The foregoing activities were and are undertaken without any form of license,
3 permission, or acquiescence from Phoenix and without any legitimate basis upon which such
4 activities could be legally undertaken.

5 39. Defendant Sportstime's patrons are likely to be confused regarding the origin or
6 sponsorship of the services being supplied and regarding the affiliation or connection of
7 Defendants Pro Source, Allen and Sportstime with Phoenix, based on their mistaken belief that
8 the services being provided are provided with Phoenix's knowledge and approval.
9

10 40. As a result of those activities, Phoenix has been damaged through the loss of
11 revenues associated with the sale of similar services or with a license to provide similar
12 services, as well as through the loss of Phoenix's ability to control the quality of services
13 provided in connection with the Sound Choice Marks.

14 41. The provision of the services as described above is an essential part of a
15 commercial transaction wherein the patrons purchase food and beverages and receive access to
16 the tracks and to the services in connection with their patronage, even if the patrons do not
17 directly pay for access to the tracks or the services.
18

19 42. When the karaoke shows are ongoing, the shows are generally the principal
20 entertainment focus of Defendant Sportstime's establishment.

21 43. Defendant Sportstime derives value from the karaoke shows in the form of
22 increased patronage and increased sales of food and beverages.
23

24 44. Upon information and belief, Defendant Sportstime has advertised the
25 availability of karaoke shows on its premises, via its own advertising apparatus and as an
26 activity attributable to its business, rather than as adjunct or auxiliary to its businesses.

27 45. Defendant Sportstime has had actual knowledge of the foregoing activities being
28 undertaken at its establishment.

1 46. Specifically, Defendant Sportstime was notified by Phoenix by a letter dated July
2 8, 2016, of the unlicensed, infringing character of the karaoke entertainment services being
3 provided in its establishment.

4 47. In the letter, Defendant Sportstime was offered information about licensing and
5 compliance programs that Phoenix offers to venues that feature karaoke entertainment, along
6 with the opportunity to bring its karaoke entertainment services into compliance with the law
7 and with Phoenix's policies regarding the use of its intellectual property.

8 48. In particular, Defendant Sportstime was offered the opportunity, at no charge, to
9 request, via Phoenix's Safe Harbor program, that Phoenix evaluate the licensing status and
10 needs of its karaoke entertainment provider and to avoid liability as long as the venue took heed
11 of Phoenix's evaluation and acted accordingly.

12 49. Defendant Sportstime did not take advantage of the Safe Harbor program.

13 50. Despite these offers, and despite its knowledge of the unlicensed, infringing
14 character of the karaoke entertainment services being provided in its establishments, Defendant
15 Sportstime did not elect to bring its karaoke entertainment services into compliance.
16

17
18 **B. The basis for imposing vicarious liability on Sportstime**

19 51. Defendant Sportstime has the right to control the means and the details of the
20 process by which its third-party agent accomplish their respective tasks, including, without
21 limitation, controlling the dates and starting and stopping times of shows, determining whether
22 particular content (such as offensive-language content) is permitted to be played at shows,
23 determining the style and genre of music played at shows, and determining whether the third-
24 party agent is permitted to use Defendant Sportstime's equipment (such as television displays,
25 sound equipment, stage, etc.) as part of the shows.
26

27 52. In particular, Defendant Sportstime has the right to control whether or not the
28 activities occur on its premises.

1 53. As noted previously, Defendant Sportstime had knowledge of its agent's direct
2 infringement of the Sound Choice Marks.

3 54. Despite this knowledge, Defendant Sportstime continued to use Defendant Pro
4 Source and Defendant Allen to commit direct infringement of the Sound Choice Marks during
5 the course of providing karaoke entertainment services to its patrons.

6 55. Defendant Sportstime had the right and ability to supervise Pro Source's and
7 Allen's activities in its establishment, including (without limitation) the right and ability to
8 determine whether Pro Source and Allen provided karaoke entertainment services in connection
9 with the Sound Choice Marks.

10 56. Defendant Sportstime knew or had reason to know, based on the amounts it was
11 paying Pro Source and Allen to provide the services, its interaction with Pro Source and Allen,
12 and its knowledge of Pro Source and Allen's infringement, that Pro Source and Allen were
13 unlikely to be able to respond for significant damages for infringement.

14 57. The arrangement between Defendant Sportstime and Defendant's Pro Source and
15 Allen exploited Pro Source and Allen's marginal financial condition in two ways: first, by
16 reducing the amount Sportstime had to pay Pro Source and Allen to provide the services in a
17 manner that would be profitable to Pro Source and Allen; and second, by attempting to allocate
18 the burden of any claims of infringement to Pro Source and Allen, an undercapitalized
19 "dummy" operation, in a naked effort to avoid financial responsibility and liability for the
20 infringement while remaining the principal beneficiary of the infringement.

21 58. In short, the arrangement between Sportstime and Pro Source and Allen is a
22 sham designed to reap the rewards of infringement while escaping liabilities.

23 59. Despite Defendant Sportstime having knowledge of the infringing character of
24 the activities and the ability to control whether those activities occur, Defendant Sportstime
25 elected not to stop the infringement from occurring, instead continuing to enjoy the benefits of
26
27
28

1 the infringement.

2 60. As such, to the extent that it is not directly liable as an infringer, Defendant
3 Sportstime is vicariously liable for the continuing infringement that has occurred and is
4 occurring on its premises.

5 **C. The Defendants' pattern of infringing conduct**

6 61. The Defendants' conduct as described above with respect to the Sound Choice
7 Marks is not isolated to the use of the Sound Choice Marks, but also extends as part of a large-
8 scale program of infringing activities and piracy involving numerous other producers'
9 intellectual property rights, on the same terms.

10 62. Essentially, the Defendants, and particularly Pro Source and Allen, with
11 Sportstime as the willing beneficiary, have built an entire business model and moneymaking
12 scheme premised on a competitive advantage derived from the infringement of the intellectual
13 property rights of others, including Phoenix.

14 63. The Defendants' activities constitute unfair competition against Phoenix's own
15 licensees, all of whom provide karaoke entertainment services without engaging in that
16 infringement, at significant cost.

17 64. The Defendants' wrongful conduct exerts illegitimate and unfair pressure upon
18 the market for karaoke services in this State and judicial district through the unlicensed use of
19 the Sound Choice Marks in connection with those services, thereby diminishing the value of
20 licenses and permissions in the hands of Phoenix, its subsidiary, and its licensees.

21 65. The diminution of the value of licenses encourages or forces karaoke operators to
22 forego licenses in order to compete profitably.

23 **FIRST CLAIM FOR RELIEF**

24 **TRADEMARK INFRINGEMENT UNDER 15 U.S.C. § 1114(1)**

25 66. Phoenix repeats and incorporates by reference herein its allegations contained in

1 the above paragraphs of this Complaint.

2 67. Each Defendant used a reproduction, counterfeit, or copy of the Sound Choice
3 Marks in connection with the provision of services including karaoke entertainment services, by
4 repeatedly displaying the reproduction, counterfeit, or copy of the Sound Choice Marks during
5 the provision of those services and by using the Sound Choice Marks in connection with the
6 advertising of the services.

7 68. Each Defendant's use of the Sound Choice Marks was "in commerce" within the
8 meaning of the Trademark Act of 1946 as amended.

9 69. Phoenix did not license or otherwise give permission to any Defendant to use the
10 Sound Choice Marks in connection with the provision of their services.

11 70. Each Defendant's use of the Sound Choice Marks is likely to cause confusion, or
12 to cause mistake, or to deceive its customers and patrons into believing that the services being
13 provided are provided with the authorization of Phoenix.

14 71. Each Defendant's acts were willful, knowing, and intentional.

15 72. Defendant Sportstime, having hired a third-party agents Pro Source and Allen to
16 provide karaoke entertainment services in its name, at its venue, primarily for the purpose of
17 avoiding liability for infringement, is additionally vicariously liable for the infringing acts of
18 that agent.

19 73. Each Defendant's activities constitute the infringement of the federally registered
20 Sound Choice Marks in violation of 15 U.S.C. § 1114(1).

21 74. Phoenix has been damaged by each Defendants' infringing activities.

22 75. Unless enjoined by the Court, each Defendant's infringing activities as described
23 above will continue unabated and will continue to cause harm to Phoenix.

SECOND CLAIM FOR RELIEF

UNFAIR COMPETITION UNDER 15 U.S.C. § 1125(a)

76. Phoenix repeats and incorporates by reference herein its allegations contained in the above paragraphs of this Complaint.

77. Each Defendant has supplied karaoke entertainment services to customers or patrons, in connection with which the Sound Choice Marks were used in the advertising and performance of the services and not merely as an adjunct to the playing of any particular communicative content contained within karaoke accompaniment tracks.

78. The use of the Sound Choice Marks is likely to cause confusion, or to cause mistake, or to deceive the customers or patrons into believing, falsely, that Phoenix sponsored or approved the Defendants' services and commercial activities.

79. Because of each Defendant's wholly unauthorized uses of the Sound Choice Marks in the manner described above, Phoenix was denied revenue from the sale or licensing of authorized services and deprived of control over the use of the Sound Choice Marks.

80. Because Phoenix has been denied this revenue and control, it has been damaged by each Defendant's uses.

81. Phoenix is a provider of karaoke entertainment services, directly, through controlled licensees, and through its wholly owned subsidiary SCE.

82. Each Defendant's activities are part of a program and money-making scheme premised upon the unlicensed use of the Sound Choice Marks in connection with karaoke entertainment services and ancillary services that form part of the economic transaction among Sportstime, Pro Source, Allen and Sportstime's patrons.

83. Each Defendant's activities in furtherance of this program of infringement have caused a competitive injury to Phoenix, both directly and on the basis of damage to Phoenix's licensees.

1 84. Each Defendant's activities constitute unfair competition in violation of 15
2 U.S.C. § 1125(a).

3 85. Unless enjoined by the Court, each Defendant's unfair competition activities as
4 described above will continue unabated and will continue to cause harm to Phoenix.

5
6 **THIRD CLAIM FOR RELIEF**

7 **MISSOURI ANTI-DILUTION R.S.MO. § 417.061 AGAINST DEFENDANTS**

8
9 86. Phoenix repeats and incorporates by reference herein its allegations contained in
10 the above paragraphs of this Complaint.

11 87. The Sound Choice Marks are valid and distinctive.

12 88. The use of the Sound Choice Marks by the Defendants is likely to injure the
13 business reputation and/or dilute the distinctive quality of the trademarks, and will cause
14 irreparable damage to Phoenix in violation in R.S.Mo. § 417.061.

15 89. As such, Phoenix has been damaged and is likely to be further damaged by the
16 unauthorized use of the Sound Choice Marks unless enjoined by the Court.

17
18 **FOURTH CLAIM FOR RELIEF**

19 **COMMON LAW UNFAIR COMPETITION**

20
21 90. Phoenix repeats and incorporates by reference herein its allegations contained in
22 the above paragraphs of this Complaint.

23 91. Defendants used and knowingly directly benefited from the use of a
24 reproduction, counterfeit, or copy of the Sound Choice Marks in connection with the provision
25 of services including karaoke entertainment services, by displaying the reproduction,
26 counterfeit, or copy of the Sound Choice Marks during the provision of those services.

27
28 92. Defendants' use of the Sound Choice Marks was "in commerce" within the

1 meaning ascribed by Missouri common law.

2 93. Phoenix did not license Defendants to use the Sound Choice Marks in connection
3 with the services provided to its commercial establishments.

4 94. Use of the Sound Choice Marks by the Defendants in connection with their
5 karaoke entertainment services is likely to cause confusion, or to cause mistake, or to deceive
6 patrons at the venues in which Defendants perform, including Sportstime's venue, into
7 believing, falsely, that the services those patrons are receiving, in exchange for their patronage
8 and purchases, are bona fide services authorized by Phoenix.
9

10 95. Defendants' acts were willful and knowing.

11 96. Phoenix has been damaged by infringing activities of Defendants.

12 97. Unless enjoined by the Court, Defendants' infringing activities as described
13 above will continue unabated and will continue to cause harm to Phoenix.
14

15 **PRAYER FOR RELIEF**

16 WHEREFORE, Plaintiff Phoenix prays for judgment against each of the Defendants
17 severally, and that the Court:

18 A. Find that each Defendant has committed acts of infringement, including but not
19 limited to counterfeiting, of the federally registered Sound Choice Marks, in violation of 15
20 U.S.C. § 1114(1);

21 B. Find that each Defendant has engaged in unfair competition detrimental to
22 Phoenix in violation of 15 U.S.C. § 1125(a);

23 C. Enter judgment against each Defendant and in favor of Phoenix on all applicable
24 counts;

25 D. Award to Phoenix each Defendant's profits and the damages sustained by
26 Phoenix because of that Defendant's conduct in infringing the Sound Choice Marks, or, in the
27 alternative, statutory damages per trademark infringed by counterfeiting, and in any event in an
28 amount not less than \$50,000 per Defendant;

1 E. Award to Phoenix each Defendant's profits and the damages sustained by
2 Phoenix because of that Defendant's acts of unfair competition under 15 U.S.C. § 1125(a);

3 F. Award to Phoenix treble, punitive, or otherwise enhanced damages, as available,
4 upon a finding that any Defendant acted willfully in the conduct of its infringement;

5 G. Order that all computer disks, drives, or other media belonging to Defendants
6 Pro Source and Allen, which media enable that Defendant to engage in infringement as
7 described herein, to be delivered up or seized for destruction;

8 H. Grant Phoenix preliminary and permanent injunctive relief against further
9 infringement of the Sound Choice Marks and further false designations of origin, by each
10 Defendant, specifically including injunctive relief against the making, copying, sharing, selling,
11 or otherwise using digitized copies of karaoke accompaniment tracks, commercially or
12 otherwise, which tracks are marked with any mark or other designation belonging to any party
13 from whom the Defendant has not obtained written authorization from the owner thereof to
14 make, copy, share, sell, or otherwise use the digitized copy, such copies acting to enable the
15 Defendant to engage in service mark infringement, unfair competition, and deceptive trade
16 practices;

17 I. Award Phoenix its costs of suit and attorney's fees, to the extent not awarded
18 above; and

19 J. Grant Phoenix such other and further relief as justice may require.
